

MD. NUR ALAM

CSE GRADUATE | DATA MANAGEMENT & DATA SCIENCE ENTHUSIAST

01756448948 | nuralam39580@gmail.com | www.linkedin.com/in/md-nur-alam02 | github.com/NurAlam114

CAREER OBJECTIVE

Data-driven CSE graduate with hands-on experience in Python, SQL, and machine learning. Skilled in building predictive models and data visualization dashboards. Seeking an entry-level data analyst/data science role to deliver actionable insights and business value.

TECHNICAL SKILLS

- Programming: Python, SQL
- Data Analysis: Pandas, NumPy, EDA
- Visualization: Power BI, Excel
- Machine Learning: Scikit-learn
- Tools: OpenCV

SOFT SKILLS

- Analytical thinking
- Problem-solving
- Communication & teamwork
- Time managing

PROJECTS

Face Recognition Attendance System

- Built a real-time face recognition attendance system using OpenCV & CNN (96% accuracy)
- Implemented automated attendance tracking using computer vision

Time Series Forecasting Project

- Developed a time series model using (ARIMA) for demand prediction
- Achieved 94.18% prediction accuracy for future demand forecasting

Customer Churn Prediction

- Built a churn prediction model using Python and classification algorithms
- Improving prediction accuracy to 72% and identifying key customer retention factors.

Vendor Performance Analysis

- Analyzed vendor data with Python, SQL, and Excel
- Developed interactive Power BI dashboards to analyze vendor performance, enabling data-driven decision-making and KPI tracking.

EDUCATION

B.Sc. in Computer Science & Engineering (CSE)

Varendra University

2022 – 2025

CGPA: 3.15

ADDITIONAL INFORMATION

- **Languages:** Bangla (Native), English (Proficient)
- **Certifications:** Data Science & Machine Learning – Ostad (Online Course)
- **Availability:** Open to short-term full-time opportunities
- **Career Interest:** Data Management and Data Science roles
- **Work Ethic:** Comfortable working in fast-paced corporate environments
